On The Burner Update

We've distributed two editions of our "On The Burner" email newsletter to our NWGA members-only email list. Each edition provides an industry-focused perspective on some of the key developments we've been tracking over the past month, in large part by repackaging the most relevant items from the weekly "Pilot Light" emails you receive as board members.

Please review the list of current recipients of "On The Burner" at your company and let Ben know of any omissions. Alternatively, any member employees that would like to receive "On The Burner" in the future can always subscribe by letting an NWGA staff member know or by emailing info@nwga.org.
